Dear Supporter:

For the past 90 years, the Fort Worth Tarrant County NAACP branch has promoted civil rights and voting rights for all citizens. Today, the branch continues to break down social, racial, and economic barriers in the communities we serve, and we need your generous support.

We are asking you for your support as a financial sponsor of the 47th Annual Dr. George D. Flemmings Freedom Fund Celebration on Friday, October 25, 2024, at 6:45 p.m., at the Fort Worth Convention Center. The 2024 theme is "90 Years: Breaking Barriers and Building Bridges." Our special guest is Fort Worth's own Major General Anthony Woods, Commander of the Texas State Guard.

Fort Worth Tarrant County NAACP continues to make significant achievements to affect positive change.

- As a non-partisan association, we provide voter registration and voter education year-round.
- We present forums to introduce candidates running for public office and actively work to increase voter turnout.
- We executed the successful "Come and Be Heard" series to give the community a voice in front of important leaders.
- We work with local law enforcement, including the Fort Worth Chief of Police, on critical matters affecting our communities.
- Our members regularly attend important community and public issue-related meetings to enable positive change.
- We continue our legacy of providing scholarship opportunities for students advancing to colleges or universities.
- We address environmental injustices that affect marginalized communities disproportionately in Tarrant County.
- We continue to produce national award-winning young people through the NAACP ACT- SO program.
- We participate with Arts Fort Worth in advising and making recommendations regarding the mural at Will Rogers Memorial Center and the upcoming South Main and I-35/Rosedale underpass renovations.

As you can see, the Fort Worth Tarrant County NAACP contributes to many facets of our community. Please consider becoming a generous sponsor of the 47th Annual Fort Worth NAACP Freedom Fund Celebration. Sponsorship levels are included, and we will follow up soon. Should you have questions, please contact Nada Ruddock at (817) 522-6498 or via email nrfwnaacpfreedomfund@gmail.com.

Sincerely,

Estella Williams
